

# EXECUTION OF COURT DECISIONS

## Beneficiaries:

Ministry of Justice of Ukraine, Association of Private Enforcement Officers of Ukraine (APEO), Probation Center

## The Project:

- ▶ Prepared **10** reports and publications
- ▶ Organized **20** short-term expert missions involving **30** experts

## RESULTS:

### Protection of property rights

- ▶ Active support to the development of Private Enforcement Officers (PEOs) profession. 176 PEOs are operational, having enforced almost **3 times more** judgments per case closed, to compare with the State Enforcement Service (SES), whose number of officers represents some 4,500 persons
- ▶ Developed **test and practical exercise databases** for PEOs qualification exam
- ▶ Supported institutional building of **APEO**
- ▶ Improvement of **disciplinary procedure** of PEOs
- ▶ Assistance to the development of **APEO Strategy and its Action Plan**
- ▶ Supported the development and implementation of New Bankruptcy Code
- ▶ Assistance to the development of concept of electronic trade system

### Notary and state registration

- ▶ Support to development of test items for qualification **examination for state registrars** from local authorities and authorized entities
- ▶ Proposed the rules and mandate of the Working Group for the establishment of the address register
- ▶ Started working on the creation the **Address Register together with other stakeholders**

### Execution of criminal sanctions

- ▶ Developed a draft **Professional Standards** for Probation Service giving basis to performance management and **quality assurance**
- ▶ Helped to draft the Work Plan for the development of the training system for probation officers and proposals on training programs
- ▶ Engaged civil society organizations, volunteers, and local authorities to probation activities in Ivano-Frankivsk and Dnipro regions
- ▶ Supported development of Risk and Needs Assessment Tool for Prisons
- ▶ Helped to conduct validation of Probation Risk and Needs Assessment Tool
- ▶ Assisted the development of Probation Human Resources Strategy and Performance Management System
- ▶ Supported development of Register of Convicts and automated tool for statistics
